Infertility Woman's Support Group Meeting

Please come join this support group and meet other women traveling on a similar journey as you. Everyone in the group is a member of a club they never wanted to join - come and be understood, validated and supported. Whether you have never been pregnant, have had pregnancy loss(es), have secondary infertility, unexplained infertility, or have been diagnosed with PCOS, considering a surrogate, considering other options, and/or are currently undergoing ART treatment - all are welcome.

- ▶ *We come together to support and witness your stories*

- ▶ *We learn how women grieve their fertility and sexual identity*
- ▶ *We hold space to honor your reproductive journey*
- ▶ *You will learn mindfulness techniques to use as you go forward in your life, regardless of fertility status*
