

Stillbirth and Infant Loss Couples Support Group

On-going Monthly Meetings

ANGELS
BORN STILL

Please come join this sacred group and meet other couples traveling on a similar journey as you. Everyone in the group is a member of a club they never wanted to join - come and be understood, held and supported through a grief that needs to be acknowledged, a baby that needs to be honored, and learn compassion for yourself and your partner in order to find your way to the softer side of living with profound loss.

- ▶ We light candles in memory of your baby
- ▶ We share our personal stories
- ▶ We normalize the grieving process
- ▶ We hold space to honor your journey
- ▶ You are given guided meditations to help promote feelings of calm and safety

Dr. Ivy Margulies facilitates the group meetings at her office.
