Reproductive History

Thank you in advance for answering these questions, I know some of them are particularly painful to answer - your answers will help me to understand your reproductive story. If you need more space please write on the back of this paper.

How many pregnancies have you had?

If you have been pregnant, was your baby(s) naturally conceived or did you have reproductive assisted therapy (ART)? (Including IUI and/or IVF)

How many live births? Date of the birth and name(s).

Did you experience a traumatic birth?

If you have given birth, how many vaginal, VBAC and/or how many by cesarean?

Have you had any miscarriages? If so, how many and when (dates)?

Have you had any termination(s) based on a fetal diagnosis? If so, how many and date of the procedure? What was the diagnosis given? What was the gestational week?

Have you had an abortion(s) or pregnancy release(s)? If so, how many and date of procedure? What was your gestational week?

Have you had a stillbirth(s)? If yes, when? What was your gestational week? What is their name(s)?

How many infant deaths? If yes, when? What is their name(s)? How many days/weeks/months old?

Did you have a premature birth with your baby(s) and/or subsequent birth and your baby had to go to the NICU?

How many living children do you have and what are their names and ages?
